MIDHUN RAJENDRAN

Aspiring QA Engineer | Software Testing & Automation

Email: midhunrajendran94@gmail.com | Phone: +91 6282597605 | Location: Kottayam, Kerala, India
LinkedIn: https://www.linkedin.com/in/midhun-rajendran-05a2483a1

CAREER OBJECTIVE

To begin my professional career in Software Testing and Quality Assurance, apply my technical knowledge, strengthen my automation testing skills, and contribute to building reliable, high-quality software applications.

EDUCATION

Bachelor of Technology in Computer Science and Engineering
College of Engineering Kidangoor, Kottayam, Kerala | Oct 2022 - Jun 2026 | CGPA: 6.81

Higher Secondary Education - Science
S M V N S H S S Kallara, Vaikom, Kerala | Jun 2020 - Mar 2022 | Percentage: 96.75%

Secondary Education - 10th Standard
S M V N S S H S S Kallara, Kottayam, Kerala | Mar 2020 | Result: Full A+

TECHNICAL & QA SKILLS

Software Testing & QA: Manual Testing, Automation Testing (Playwright), API Testing, Test Case Design, STLC, Bug Life Cycle
Programming Languages: Java, C, TypeScript, JavaScript
Web & Database: HTML, CSS, MySQL, Firebase
Tools & Platforms: Visual Studio Code, Git, GitHub, Microsoft Excel, Google Sheets, Canva

ACADEMIC & TECHNICAL PROJECTS

1. E-Commerce Web & API Automation Test Suite
Playwright, TypeScript, Manual Testing, API Testing, Test Cases, CI/CD
- Designed end-to-end automated test suites using Page Object Model (POM) pattern.
- Conducted functional, regression, boundary, and automated API validation tests with detailed execution reports.

2. Alzheimer's Prediction Using AI and MRI
Python, Deep Learning, Machine Learning, Flutter, Firebase / MySQL
- Built AI model for automated classification of Normal, Mild Cognitive Impairment, and Alzheimer's scans.

3. Online Voting Platform
HTML, CSS, JavaScript, PHP, MySQL
- Developed secure web election system with voter authentication and real-time result tabulation.

TRAINING, WORKSHOPS & INTERNSHIPS

- AI-901: Microsoft Azure AI Fundamentals | Microsoft (2026)
- AI for Students: Build Your Own Generative AI Model Workshop | NxtWave (2026)
- Data Science Internship | Suffix E Solutions / Scope India (2025)
- ReactJS Workshop | One Team (2025)
- Data Science with Python Workshop | Techmaghi & IIT Hyderabad (2024)

LANGUAGES

English (Fluent), Malayalam (Native), Hindi (Basic), Tamil (Basic)
